Erik Plácido

Senior Product Designer & AX Lead • Generalist Art Director

São Paulo, SP · Brazil (Open to Remote Worldwide & Hybrid) 20+ Years of Professional Experience

Available for Senior / Lead Roles & High-Impact Projects

erik.placido@gmail.com | Copy | +55 (11) 98576-8545 | erikplacido.com.br | LinkedIn | Bē Behance

Senior Product Designer and Art Director with over **20 years of multidisciplinary technical and visual craft**. Bridges the production rigor and physical density of **Generalist Art Direction** (set design for streaming/TV, high-precision editorial, and CPG packaging) with cutting-edge **Digital Product Design (UI/UX and AX — AI Experience)**. Specializes in scalable, **Tokens-First Design Systems in Figma**, mission-critical **transactional flows** (fintech onboarding, recurring billing, and Stripe integrations), and orchestration of adaptive interfaces powered by **Generative AI (LLMs, Cursor, Google AI Studio)** in real production pipelines.

LEADERSHIP & HIGH-IMPACT EXPERIENCE

UI/UX & AX Lead · Digital Product Consultant

2018 – PRESENT

Studio Erik Placido · Munchausen Criações Ltda

- **Tokens-First Design Systems:** Governs modular design libraries in Figma built on variables and semantic tokens, maintained in technical parity with Storybook and codebases.
- **Transactional & Financial Architecture:** Designs high-conversion transactional journeys: progressive onboarding, multi-tier checkout, automated billing, and Stripe Connect integrations.
- **End-to-End Insurance System (Vistorias de Risco):** Complete product design from user flow and responsive web app to API architecture, photo geotagging, and automated client inspection reports.
- **AI-Assisted Prototyping (AX):** Embeds LLMs, Cursor, and Google AI Studio into agile design-engineering workflows to build and validate coded prototypes with stakeholders before development.

UX/UI Interactive Cases | Bē Behance Portfolio

Senior Product & UI/UX Designer

2021 – 2025

Blue Facility Services / Bhand Cleaning — Sydney & Melbourne, Australia

- **International Marketplace Launch:** Led product design for a multi-city on-demand services marketplace operating across Sydney and Melbourne.
- **Conversion Rate Optimization:** Re-architected booking flow featuring real-time dynamic pricing calculated by floor area and automated checkout via Stripe to eliminate friction.
- **Tri-Platform Design System:** Built and documented unified component system for customer mobile web, field-crew app with live GPS tracking, and operational dispatch console.

Art Director & Graphic Designer for Film, TV & Streaming

2014 – 2026

Coração da Selva Produções · Moonshot Pictures (GNT) · Globo Filmes

- **4K Close-Up Graphic Props:** Authored hero posters, period paperwork, vintage labels, badges, and illustrated maps crafted to withstand cinema-grade 4K macro camera inspection.
- **National Broadcast Television:** Head of art direction and set props for Seasons 1 & 2 of *Que Seja Doce* (shadow-theater title sequence) and *Desafio da Beleza* on Canal GNT.
- **Feature Films & Streaming Originals:** Art department graphic props for *Magal e os Formigas* (Globo Filmes), *Match nas Estrelas* (Amazon Original), *Rio Shore* (MTV/Paramount, 13-meter scenic walls), and *Se Sobreviver, Case* (Multishow, 21-version island survival map).
- **Set Pace & Rapid Prototyping:** Delivered production-ready physical mockups and large-format graphics under tight shooting call-sheet schedules directly with directors.

Art Director & CPG Packaging Designer

2020 – 2026

Itaiquara Alimentos S/A · Global Pet Distribuidora

- **Industrial Food & Retail Packaging:** Directed and technically pre-flighted comprehensive product lines (aerosol cans, multi-ply sacks, sachets, corrugated boxes) for nationwide retail and baking industries.
- **Regulatory ANVISA Standards:** Engineered compliant nutrition declaration panels, front-of-package warnings, barcoding, and custom die lines directly tailored for industrial rotary and flexo converters.
- **Brand Extension & Pet Care (Maxcote):** Developed end-to-end packaging system and packaging architecture for Global Pet Distribuidora's commercial launch.

Game UI Designer, Pixel Art Animator & Board Game Artist

2018 – PRESENT

Netflix / Cobra Kai (Mobile Advergame) · Dragori Games · Coliseu Hobbies

- **Cobra Kai Mobile Advergame (Netflix):** Full Game UI architecture (combat HUD, energy/health gauges, character selection matrix, victory flow) and frame-by-frame 80s arcade pixel art animations for franchise characters.
- **Tactical Tabletop Systems (Tanares RPG & Super Batalha):** Information architecture for cards, status iconography, character boards, and modular battle terrain engineered for fast table scanning at 50 cm.
- **Complete Board Games (Loony Races & Projeto Força BR):** Authored visual brand, 10 international character drivers, language-independent iconography, radar console boards, and bilingual rulebooks.
- **Interactive Web Audio Prototypes:** Coded browser-playable rhythm games (*Hellfire Overdrive*) and space combat HUDs (*Star Marshal*) in JavaScript/HTML5 to validate UX dynamics before engine production.

Game UI & Pixel Art Cases | Tabletop Cases & Rulebooks

Art Producer & Editorial Design Lead

2005 – 2018

Editora WMF Martins Fontes (Full-time)

- **Book Design & Typography:** Designed and laid out hundreds of book covers, slipcase box sets, and book interiors for world literature, philosophy, and humanities classics.
- **Historic Mauricio de Sousa Restoration:** Personally led the digital restoration, cover redesign, and typography layout for *Mauricio — O Início* (restoring Mauricio de Sousa's first three historic comic books).
- **Pre-Press & Finishing Rigor:** Complete oversight of color proofing, spot PMS / CMYK inks, specialty paper substrates, and high-end printing finishes (embossing, hot stamping foil, spot UV).

CONSOLIDATED PROFESSIONAL CAREER TIMELINE (2005 – 2026)

2026	**Art Director & Graphic Designer for Film** Coração da Selva Produções	Graphic props (posters, period paperwork, packaging, signage) and rapid prototyping for feature films under live shooting schedules.

2021 – 2025	**Senior Product & UI/UX Designer** Blue Facility Services (Australia)	End-to-end design for services marketplace across Sydney and Melbourne: dynamic area-based pricing, field crew GPS app, and cross-platform design system.
2018 – PRESENT	**UI/UX & AX Lead · Digital Product Consultant** Studio Erik Placido · Munchausen Criações	Tokens-First design systems in Figma, Stripe checkout flows, full insurance inspection web product (Vistorias de Risco), and AI-assisted prototyping.
2021 – 2026	**Art Director & CPG Packaging Designer** Itaiquara Alimentos S/A	Nationwide lines of commercial and retail food packaging, metal aerosol cans (Untaforma), ANVISA nutritional standards, and converter pre-press.
2018 – PRESENT	**Board Game Designer & Tactical Iconography** Dragori Games & Coliseu Hobbies	Card anatomy, combat status icons, modular board tiles, and rulebook layout for international tactical tabletop games (*Tanares RPG*, *Super Batalha*).
2021	**Lead Game UI Artist & Pixel Art Animator** Netflix / Cobra Kai Season 3 (Mobile Advergame)	Full combat HUD, fighter select, victory flows, and frame-by-frame 80s arcade sprite animations for the official franchise promotional game.
2019 – 2021	**Art Assistant · Graphic Props** Boutique Filmes	Authentic period documents, fictional branding, badges, and scenic props for original streaming series.
2020	**Scenic Graphic Designer & Mockup Artist** Endemol Shine Group	High-fidelity physical mockups and large-scale scenic graphic assets for live studio television formats.
2014 – 2020	**Art Director · Set Design & Studio Props** Moonshot Pictures / Canal GNT	Art direction for Seasons 1 & 2 of *Que Seja Doce* (shadow-theater title sequence) and *Desafio da Beleza*, crafting props for 4K national broadcast.
2020 – 2021	**Art Director · Packaging System** Global Pet Distribuidora	Complete visual identity and packaging system for the Maxcote pet brand; conversion-focused e-commerce asset kits.
2018 – 2020	**Key Visual Designer & Treatment Artist** Dogs Can Fly / Pink Flamingo Films	Key visual direction, image retouching, and visual decks for multi-million-dollar commercial and advertising approvals.
2019 – 2021	**Corporate Brand Consultant** Bentonisa & Coqui Hobby	Corporate brand restructuring, B2B product catalogs, trade-show exhibits, and unified visual identity manuals.
2005 – 2018	**Art Producer & Editorial Design Lead** Editora WMF Martins Fontes (Full-time)	13 years leading editorial design for premier publisher: hundreds of classic book covers, slipcase collections, and historic restoration of Mauricio de Sousa's first 3 books.
2012 – 2014	**Art Director · International Tech Conferences** InfoQ / QCon São Paulo & Rio	Wayfinding, environmental graphics, and visual identity systems for international software engineering and architectural summits.
2008 – 2012	**Graphic Designer & Layout Artist** Editora Devir Livraria (Full-time)	High-volume InDesign layout, typography adaptation, and print preparation for international RPGs, tabletop rulebooks, manga, and graphic novels.
2005 – 2010	**Graphic Design Instructor & Agency Creative** Microlins & Layout Agency	Trained aspiring graphic designers in typography, Adobe suite, and pre-press prep; created retail campaigns for local commercial brands.

SELECTED CASE STUDIES ACROSS DISCIPLINES

Blue Services Marketplace

Tri-platform marketplace with real-time floor pricing and crew GPS tracking (Sydney/Melbourne).

Cobra Kai (Netflix Advergame)

Mobile 80s arcade combat HUD, fighter select, and frame-by-frame character animations.

Magal e os Formigas (Globo Filmes)

Hero theatrical poster, vinyl record sleeve, and period set portraits for feature film.

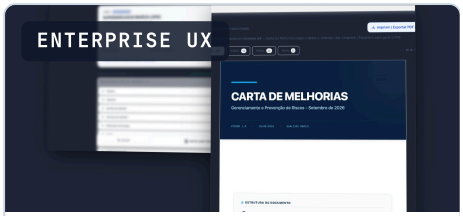

Loony Races Board Game

Full tabletop game: 10 international character drivers, textless card anatomy, and rulebook.

Itaiquara · Untaforma Can

Aerosol can label printed on tinplate with ANVISA nutritional table and flexo pre-press.

Vistorias de Risco Web App

End-to-end insurance inspection flow with geotagged photography and client reporting.
